DETAILED ACTION

Election/Restrictions

1. Applicant's election of Species II, drawn to figures 7 – 9 and stated by applicant as readable on claims 9-13, 17-19, 21-26 and 29-30 in Paper No. 5 was acknowledged in the previous office action and was noted that because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, that the election had been treated as an election without traverse (MPEP § 818.03(a)).

2. Applicant was required under 35 U.S.C. 121 to elect a single disclosed species for prosecution on the merits to which the claims shall be restricted if no generic claim is finally held to be allowable. Currently, claims 9 and 21 appeared generic.

Applicant was advised that a reply to this requirement must include an identification of the species that is elected consonant with this requirement, and a listing of all claims readable thereon, including any claims subsequently added. **If claims are added after the election, applicant must indicate which are readable upon the elected species. MPEP § 809.02(a).**

3. The reply filed on 12/12/03 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant failed to indicate which claims read upon the elected species II. Note that **If claims are added after the election, applicant must indicate which are readable upon the elected species. MPEP § 809.02(a).** See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
